

BUSY BEES
Activity group for Toddlers

Being the parent and/or fulltime caregiver of small children can be challenging and isolating. Developing a schedule of daily activities that are age appropriate, educational, interactive and fun is also a challenge. We are a group of moms and nannies, living and working in the Durham area who plan and organize a variety of weekly activities for toddlers, ages 1-3.

Activities, outings and classes are planned, organized and taught by:

Elizabeth R. Kenly, Nanny

Background/training: Child Protective Services-12 years,
Special Education Parent Advocate-2 years
